The Education Department

We exist in order to promote and supervise the Christian Education throughout activities that usually will not occur as part of the local assembly, that is, it has not been assigned constitutionally to any other department.

The Education Department offers the following programs as an instrument of education of the churches of our District

- Teacher Training
- Multicultural Theological Institute

The Department of Education offers a program of studies at a level of Bible Institute for those that desire to better prepare themselves in order to serve their church.

The Multicultural Theological Institute program has the endorsement of the national office General Council of the Assemblies of God in Springfield, Mo. for credentialing purpose.

The program takes three years to complete, with a fourth year called Ministerial Advancement for those credential ministers of the District that desire to be ordained.

The Bible Institute program consist of :

- Seven courses of 15 hours per year
- Graduating with a diploma by completing 21 courses
- Ministerial Advancement courses
- We have an agreement with Southeastern University and Valley Forge University, for students that complete four years of study, to receive up to 1 year (24) credits towards an associate or bachelor degree.

School Year 2017-18

Cost :

**\$50.00 Registration &
\$65.00 Per Course**
